Open to: Principal TPM / GenAI Leadership | Hyderabad / Bangalore / Gurgaon

AWS Certified Solutions Architect | Principal Technical Program Manager

AWS Certified Solutions Architect and Principal TPM with 15+ years of experience leading **\$100M+ cloud portfolios**. Specialized in **Cloud FinOps** (delivering \$8M/year savings) and architecting high-availability (99.99%) distributed systems using **Java, Python, and AWS Bedrock**. Expert at mediating between VP-level stakeholders and engineering squads to modernize mission-critical payment rails (**\$5.3B portfolio charter**).

CORE COMPETENCIES & TECHNICAL SKILLS

- **AWS Cloud Architecture & FinOps: \$162M Portfolio Governance**, Multi-AZ/Cellular Architecture, Terraform (IaC), S3 Intelligent Tiering, Unit Economics, and Cloud Cost Optimization.
- **GenAI & Engineering Innovation**: Production RAG & LangChain deployment, AWS Bedrock, SageMaker, LLMops, and High-Performance Microservices (Java, Python, Node.js).
- **Strategic Leadership & Governance: 45-Member Org Leadership**, \$5.3B Program Roadmap, OKR Design, Hiring/Talent Development, and Security by Design (GDPR primarly).

CAREER PROGRESSION

- **AMAZON DEVELOPMENT CENTRE (INDIA)** | Bangalore, India: **Senior Technical Program Manager (Principal Scope)** | Mar 2022 – Present
 - **Cloud Architecture & Optimization: Architected and Governed a \$162M AWS cloud infrastructure**; institutionalized automated cost-control frameworks and Terraform-based guardrails across diverse cross-functional organizations to deliver **\$8M in annual recurring savings**.
 - **AI Architect with GenAI: Architected the end-to-end GenAI framework** for 'AskGenie,' selecting and implementing a **Production RAG architecture** using **AWS Bedrock and LangChain**; optimized vector embeddings and retrieval parameters to achieve a **25% gain in operational efficiency** and a **\$2.3M annual ROI**.
 - **Payments Modernization: Principal Program Lead & Solutions Architect** for the **\$5.3B charter payment modernization**; personally authored **System Design reviews** for cloud-native Java API Gateways to ensure 99.99% uptime for millions of daily transactions. Integration with Oracle Financial Suite.
 - **Organizational Excellence: Established enterprise-wide TPM governance frameworks** that optimized **cross-functional velocity by 15%**; mentored a cohort of 10+ Senior Engineers and TPMs to elevate the organization's technical and operational bar.
- **DELOITTE CONSULTING** | Gurgaon, India: **Engineering Lead / Delivery Manager** | Nov 2015 – Mar 2022
 - **Organizational Architecture & Practice Leadership: Founded and scaled a 45-member cross-disciplinary engineering practice** from the ground up; directed global talent acquisition and technical bar-setting to deliver end-to-end digital transformations for **Fortune 500 clients** (Broadcom, Scholastic). Orchestrated the alignment between complex technical roadmaps and C-suite business objectives to ensure high-velocity delivery across global portfolios.
 - **AI-Driven Marketing Automation: Architected a Campaign Automation Platform** integrated with **Adobe Campaign Manager**; engineered **ML-based user bucketing** and automated **GenAI template/coupon generation**, streamlining cross-functional marketing workflows for international markets.
 - **Cloud Modernization & System Design: Lead Architect** for the migration of legacy monolithic CMS ecosystems into **modular, cloud-native microservices**; institutionalized **CI/CD pipelines** and automated testing to reduce production defect rates by 25%.
 - **Operational Excellence & Mentorship**: Institutionalized automated CI/CD testing pipelines and Agile/Scrum best practices across the portfolio. Accelerated sprint velocity by 30% and reduced defect rates by 25% by mentoring engineering squads on "Security by Design" and code quality.

EARLIER CAREER HISTORY

- **Project Manager** | Shell Infotech / Deloitte | Hyderabad, India | Mar 2015 – Nov 2015
- **Project Manager** | Emerio Malaysia Sdn Bhd | Cyberjaya, Malaysia | Aug 2014 – Feb 2015
- **Team Lead (Specialism)** | Royal Bank of Scotland | Gurgaon, India | Jul 2009 – Jul 2014

EDUCATION & CERTIFICATIONS

- **Master of Science in Information Technology**, Karnataka State Open University, Mysore
- **Bachelor of Science in Information Technology**, Karnataka State Open University, Mysore

CERTIFICATIONS

- **Generative AI for Leaders (Vanderbilt University)**
- **Project Management Professional (PMP)**

- **AWS Certified Solutions Architect – Associate**
- **PRINCE2 Practitioner**, AXELOS, UK
- **ITIL v3 Foundation**, APMG International, UK
- **GNIIT Diploma**, NIIT, Delhi
